## Pet Insurance

You may be surprised to hear that you are more likely to claim on your pet insurance than your car or household policies (Allianz Insurance plc). In fact, in our experience if you don't need to claim on your pet insurance you really are very lucky indeed!

It's important to be aware that not all pet insurance is the same. Some policies limit the amount of time or money that you can claim for so don't just shop around on price alone.

At Rutland House Veterinary Hospital we recommend Petplan's Covered For Life<sup>®</sup> insurance for the following reasons:

- Petplan's Covered For Life<sup>®</sup> policies guarantee your veterinary fees cover is renewed each year no matter how often you claim (providing you renew your policy each year with no break in cover).
- Petplan doesn't place exclusions at renewal on their Covered For Life<sup>®</sup> policies so on-going conditions such as eczema continue to be covered year after year.
- Petplan won't increase your premium or excess just because you make a claim.
- Petplan is a pet insurance specialist so they understand pets and work closely with vets, charities and breeders.
